Dear Potential West Coast Kappa Car Club Member:

Thanks for your interest in joining the West Coast Kappa Car Club (WCKCC).

Our club has existed since the early days of the Kappa platform, and we continue to encourage driving experiences and community among owners of Saturn Sky and Pontiac Solstice vehicles in California and the rest of the West Coast.

Our events are posted on facebook.com/westcoastkappacarclub as soon as they're on the schedule, and our members and friends often discuss car issues and interests in that forum as well.

Membership is \$20 for one year or \$50 for 3 years, and covers participation fees for any events you attend. We use the funds to cover insurance and other expenses for the club.

Please see the reverse side of this form for our event waiver. As a member, you accept the event registration and release conditions for any event you participate in. If you do not sign the release on the back, we will ask you to sign one at your first run.

Bring this form and your payment to the next club event, or mail to:
